

Call for projects

Operating mode : Examinations  
and ranking

Upcoming events and calls

Internship obligations

The official start of DIM activities was January 1<sup>st</sup>, 2017

## PhD fellowships (AAP Thèse)

Deadline 18<sup>th</sup> of April 2017  
7 chosen projects funded out of 15 PhD projects  
PhD started on october 1<sup>st</sup>

## Post-doc fellowships (AAP post-doc)

Deadline 18<sup>th</sup> of September 2017  
5 post doc will be funded out of 14 post-doc projects.  
Final ranking beginning of December, allowing for the projects to start early in 2018.

## Conditions

- Only the groups that are **part of the DIM SIRTEQ** are allowed to apply.
- The **CV of the candidate is mandatory**: It is possible to propose several candidates on the same project.
- The number of grant applications (PhD or post-doc) is limited to **one grant per team**.

## Small and medium equipment

Request up to 50 000 € HT  
Deadline 19<sup>th</sup> of September → Projects under evaluation.  
Collaboration is encouraged without being obligatory

## Intermediate and large equipment

Request up to 350 000 € HT  
Deadline 20<sup>th</sup> of September → Projects under evaluation  
Audition on the 8<sup>th</sup> of December → Results later on  
December → Projects can start early in 2018  
Collaboration is **obligatory**

## Conditions

**Co-financing is obligatory** : Support from the Ile-de-France Region **may not exceed 66%** of the total amount of equipment

Only **the DIM SIRTEQ groups** are allowed to apply.  
The number of equipment project (PME or Mi-lourds ) is limited according to the size of the teams:  
Team ≤ 5 permanents → 1 project as a principal applicant  
Team > 5 permanents → 2 projects as a principal applicant

## IMPORTANT :

**a 2<sup>nd</sup> Call for Intermediate and Large equipment (AAP Mi-lourds) will be launched very soon**

## Call for Scientific Innovation projects (AAP Valorisation)

DÉLÉGATIONS RÉGIONALES À LA  
RECHERCHE ET À LA TECHNOLOGIE

Deadline 13<sup>th</sup> of October 2017 → Projects under examination by the Innovation office of SIRTEQ  
Audition on the 16<sup>th</sup> of November ( Jury ) →  
Results later on December  
Projects can start early in 2018

## Conditions

Only **the DIM SIRTEQ groups** are allowed to apply.  
**Co-financing is not obligatory** : The support from the DRRT for this **first year** permits to finance your project totally by SIRTEQ and DRRT.

### Other activities :

Organize awareness innovation events  
Meetings between academics and industrials  
Annual residential school for entrepreneurship

### Important:

**Scientific Innovation open Call (AAP Valo Au fil de l'eau) will be launched early in 2018**

## Call for project Conferences :

### Call open

Request from **2000 € up to 5 000 € HT**

Deadline **15<sup>th</sup> of November 2017** → Results early in 2018

## Conditions

Only **the DIM SIRTEQ groups** are allowed to apply.  
The event must **take place in Île-de-France** Region.  
The event should take place between **1<sup>st</sup> december 2017** and the **31<sup>st</sup> december 2018**.

## Training :

- The training must be in the field of quantum technologies.
- The application must be submitted by the organizer of the event who must be part of a team identified in the SIRTEQ project.
- The Phd or post doc fellow must be part of SIRTEQ.
- The event may take place outside Ile-de-France.
- Request up to 700 € per training and per person

**Open applications (Dossier “Au fil de l’eau”) will be available soon online.**

## Open application Scientific activities

### Dossier activités scientifiques “Au fil de l’eau”

- Invitation of international visitors
- Scientific event
- Training
- Organisation of scientific days for General Public

**Will be available soon online.**

### Conditions:

Amount from 1500 up to 3000 €

Examination and decision :

Examined by the Training Office and then validated  
by the COFIL.

**Decision within a maximum of 2 months**

**Obligatory :**

***This work has been supported by Region Ile-de-France in the framework of DIM SIRTEQ***

***Put the Logo of Ile-de-France and that of SIRTEQ .***

## For all calls

Examination of the submitted documents by the thematic offices → Reviewers external to IDF (rapporteurs) → Ranking by each thematic office (bureau) → Inter-ranking by the steering committee → Announcement of the results

## For Intermediate and large equipment

Examination by the office of each theme from submitted documents → Reviewers external to IDF (rapporteurs) → Preselection by each office (bureau) → **Audition** in front of the steering committee → Inter-ranking by the steering committee → Announcement of the results

## Open application Scientific activities

Examined by the Training Office and then validated by the steering committee.

Since all members of SIRTEQ can apply for funding, strict rules have been established to avoid conflicts of interest: a COPIL or office member will not participate to the evaluation of a batch of projects if he or she is involved in one of them.

## ICQSIM

### International Conference on Quantum SIMulations (ICQSIM)

Paris from 13 to 17 November 2017

Perspective on the thriving field of quantum simulations

## IQUPS

### IQUPS workshop ( Quantum computing at UPSaclay)

CEA Saclay on the 13th and 14th of december 2017.

Gather experts to address some of questions related to building a universal quantum computer.

Job offers

Groups willing to **integrate SIRTEQ**

## Upcoming Calls

- 2<sup>nd</sup> Call for projects Intermediate and Large equipment ( Mi-lourds) will be launched very soon
- Scientific Innovation open Call for project (au fil de l'eau)
- Open application for scientific activities (Dossier activités scientifiques, au fil de l'eau )

## Training

Internship offers within the groups of SIRTEQ

**Important and obligatory :**

**For this first year, The Ile de-France Region request to hire at least 7 interns**

**Conditions :**

- 1- Two months duration minimum
- 2- The fellow must live in Ile de France or be registered in a teaching establishment of the Ile de France

**The offers must be published on specific platform - Plateforme des Aides Régionales (PAR)- to publish training offers.**

**We ask you all to send your internship offers to [sirteq@institutoptique.fr](mailto:sirteq@institutoptique.fr)  
Once the candidate chosen : send us a scan of the contract.**

# Thank you!
